

**"Made From The Best Plant On Earth"**

## Congratulations,

You have just joined what will soon be a multi-billion dollar industry and as the CEO of Miracle Nutritional Products, I want to take a moment to not only thank you but inspire you. If you are at all like me you want to feel like your career is important, meaningful and that the work you do touches people's lives and makes you and your family proud. It's one of the reasons we feel so honored when we welcome someone like yourself to not only our team but our family. You are a great and wonderful, successful person!

As a successful person myself and a three-time self-made multimillionaire, there are three things in life I can recommend you do now that you are a Miracle Nutritional Products Dealer to GUARANTEE your success.

WORK HARD.  
LEARN WELL.  
DO BIG THINGS!

Our team has prepared a program that will give you the tools to have great success but please remember with great success comes great responsibility.

Stay Humble and always put God first. Give him all the glory. Spend quality time with your family and loved ones and always remember to give back to your community.

There is work and there's your life's work.  
The kind of work that has your fingerprints all over it.  
The kind of work you never compromise on, the kind of work that you'd sacrifice a weekend for.  
You can do that kind of work with your Miracle Nutritional Products Business.  
People don't spend money to start their own business to play it safe.  
They do it to swim into the deep end.  
They want their work to become something special.  
Something BIG!!!!  
Something that couldn't happen if they were doing anything else!

Welcome to the MIRACLE NUTRITIONAL PRODUCTS family!

Welcome HOME!

Think of me and our team not just as your supplier but as your new PARTNER in YOUR SUCCESS. Your first step is to go to our website ([www.miraclenutritionalproducts.com](http://www.miraclenutritionalproducts.com)) and click on the tab TRAINING. Your next step is to watch the educational training videos that we have created for you.

Learn from them. Gaining education on the CBD industry and our products will help you not only learn, but also excel in the growth of your business. In the training videos, you will learn all you need to know to share our product, sell our product and change the lives of the people who use our product.

Once you finish your training, you will take a quiz. After passing your quiz, you will receive a certificate of completion. Then, you can pull the trigger and schedule your first home part. Invite as many people as you can.

How you plan and execute your first event really is up to you, do it slow and methodically or do it fast with enthusiasm and zest, either way JUST DO IT!

Let's do BIG things together!

I look forward to earning your business.

David Brian
